

Atlas furniture is one of the fastest growing bed brand in Asia, whether a luxurious fabric bed for the main room or a simple low cost for the spare room we have it all. Whether you're a wholesaler, manufacture or a Bed chain store we have what you need.

In 2018 we became part of the Asia Furniture International Group of companies this has allowed us to expand our collections very quickly.

Shanghai 2018 we introduce the **WOW** collection of amazing oak and pine bed frames this was a massive success, this year we are expanding the collection into OEM bedroom collections all from Vietnam, come and talk with us.

2019 we have created "***Your Own Mattress Brand***" with our partner factory we will be able to create you a range of your own exclusive mattress **GUARANTEEING** you more profits, Atlas will launch their own collection within the range called the Atmosphere Collection

We are so excited about the all NEW **SuperValue** Collection of amazing new designs and colours all at some of the best value in the world,

The *Signature* collection created in 2013 has over 20 new models for Shanghai it is still the backbone of our company, this year we have taken it to a completely new level of design and quality.

2019 still has so much to offer with the new **City** sofa bed collection coming before the end of the year

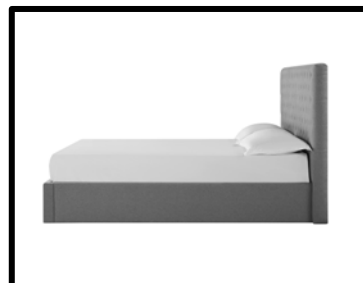

We have lived Furniture for over 40 years.....Your own office in Asia

Why not visit our extensive factory showroom in the beautiful seaside city of Xiamen while your in China?
